POP PUNK DAD ROCK

ABOUT US

Pop Punk Dad Rock is a 2 piece rock band based out of the Orlando FL area. They cover 90's and 2000's pop punk and alt rock hits. They pride themselves on bringing an interactive and high energy rock show wherever they go. PPDR has performed in venues around Orlando such as Tin Roof, Rock and Brews, and events such as Bike Nights.

Guitarist/vocalist Jon DeNapoli and drummer Jack Hall met when Jack hired Jon as a pet sitter. After seeing that they liked the same music and both liked to play, they got together to jam and the rest has been history. Jon has performed in many different tribute and original bands and played venues such as House of Blues and festivals such as Warped Tour.

The goal of any PPDR show is to make people feel like they are seeing their favorite rock bands from "back in the day" live and bring back the nostalgia we all love. There is something for everyone in the set and multiple generations of music lovers are sure to be entertained.
